## First Graders Club

First Graders Club will take place from 4:00 to 5:00 p.m. one afternoon per week (day to be determined).

This program will focus on age appropriate issues and interests of children currently enrolled in first grade and will build on the activities introduced in kindergarten club. The children, guided by trained staff members, will benefit from having their own special space to congregate. A typical afternoon may consist of a special snack, story time, crafts, games and lots of special attention.

If you are interested in having your child participate in this program, please fill out the sign-up form (on the other side).
