## Kindergarten Club

Kindergarten Club will take place from 4:00 to 5:00 p.m. (day to be determined).

This program will focus on age appropriate issues and interests of children currently enrolled in kindergarten. The children, guided by trained staff members, will benefit from having their own special space to congregate. A typical afternoon may consist of a special snack, story time, crafts, games and lots of one-on-one attention away from the hustle and bustle of the cafeteria and the larger and older children.

If you are interested in having your child participate in this program, please fill out the sign-up form (on the other side).
